1-877-OMEGA77

Available in a Variety of Colors

High-gloss, factory-baked, polyester paint

Our factory finish is smooth, durable and dirt resistant. It will not crack, chip, flake or peel even under harsh weather conditions.

For complete information on our color finish and warranty, visit us at www.LaminatorsInc.com.

Colors shown are as close to actual painted sign panels as possible with available printing techniques. Please call for color chip samples if needed.

Color variation is a characteristic of aluminum composite panels with metallic paint finishes. Laminators does not warrant a color match for these panels.

Colors subject to availability. Check with your local distributor.
